RE: KC Metro Region FY 2009 Regional Grant Planning Meeting

Dan Robeson
Regional Homeland Security Council Chairperson
111 S. Cherry St., Suite 100
Olathe, KS 66061

Dear Dan,

I wanted to take a minute to tell you and members of the KC Metro Regional Homeland Security Council how much I appreciated your time and effort while working together to formulate your Region's input into Kansas' investment justifications for the FY 2009 Homeland Security Grant Program application.

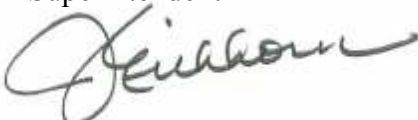

As you know, our application is due March 20, 2009, which leaves us all little time to put together a competitive application. Not only was it great meeting with all of you, I felt there were a lot of outstanding ideas and valuable input brought forward by you and other Council members. I believe we made a lot of headway yesterday and ultimately look forward to an impressive final result.

Dan, I know you and members of the KC Metro Regional Homeland Security Council spend a lot of time, much of which is your own, working together to ensure the safety and security of the citizens you serve. You should all feel very proud of your service to your communities.

Please share my appreciation with members of the Council. I commend you all for your efforts and look forward to working with you in the future.

Sincerely,

TERRY L. MAPLE
