Good Job- Well Organized Regarding Capability Assessment - Participants did not have access to capabilities of other departments that were not present. "What was least valuable about the summit?" - Large group refinement of factors just prior to the nominal group activity was cumbersome.

Participants did not have access to capabilities of other departments that were not present. Large group refinement of factors just prior to the nominal group activity was cumbersome.

Review what the state & region list of priorities are. "What is least valuable?" the after lunch review of topic given

More specific information before the summit. Observed a lot of "information gaps" among participants about what other disciplines/projects were - maybe "5" minute updates would be helpful. What is least valuable about the summit? Absence of doughnuts & danishes to start the day!

I hope you will share the results of the summit.

Listening to others perspectives. Rating importance of elements.

Multi-Discipline approach, NGT rating system with stickers

Multi-Discipline approach, NGT Rating system with stickers. Good Job - Well Organized

The level of participants. Also it is a positive that Jo.Co. EM/HS is proving that they are serious about creating an environment of Preparedness in our county.

Anytime you can bring this many people from the various organizations and exchange ideas on EM Preparedness

Multi-Discipline Approach

Afternoon Break-Out Sessions

Relationship Building opportunity between disciplines & jurisdictions- Problem Solving/Solution identification.

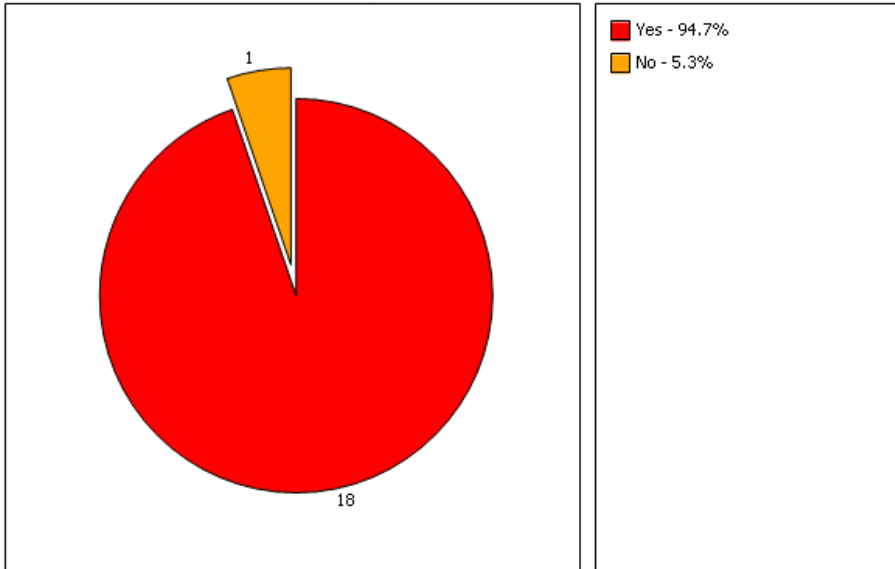

Engaging the number of participants from various agencies. This was well done. Thank you for all your efforts.

AM What was least valuable about the summit? end of the day

Yearly for the next couple -> Show progress while we are still building capability. Regarding question #18, "...beneficial to conduct Summit type meetings to address other disaster... issues?" - Would bring focus to these plus involve other staff.

Very well organized and well done!
